

## **Infinite Computer Solutions LTD. Honored as Gold and Silver Winner in the 8<sup>th</sup> Annual 2016 Golden Bridge Awards®**

**ROCKVILLE, Md., June 27, 2016** – Infinite Computer Solutions LTD. has earned the prestigious Gold and Silver status in the Golden Bridge Awards® for their Zyter™ platform. The coveted annual Golden Bridge Awards program encompasses the world's best in organizational performance, innovations, products and services, executives and management teams, women in business and the professions, innovations, best deployments, product management, public relations, marketing, and customer satisfaction programs from every major industry in the world. Organizations from all over the world are eligible to submit nominations including public and private, for-profit and non-profit, largest to smallest and new start-ups.

Winners will be honored in San Francisco on Monday, September 12, 2016 during the annual SVUS Red Carpet Awards Ceremony Dinner.

Zyter™, which was awarded Gold for Integrated Security Software Innovations and Silver for Information Technology Services Innovations, is a secure, intelligent collaborative communication platform that helps organizations across multiple verticals target and engage with their customers. Setting itself apart from other collaboration platforms, Zyter™ employs the latest in artificial intelligence and bot technology to enhance its support and seamless integration into the fast-paced business management processes. The product's sophisticated use of machine learning means that it can anticipate the users' intent, in an effort to create better engagement and lasting customer relationships.

"It's a great honor to be named a Gold and a Silver winner by Golden Bridge Awards for our work in Information Technology and Security - and further, to be sharing this prestige with leading companies in their respective industries," said Amit Srivastav, President. "These awards are a testament to Infinite's relentless commitment to creating and implementing top-notch products and services, and we are thrilled to bring Zyter™ to our customers. We have worked tirelessly to ensure Zyter™ provides our customers with the best in artificial intelligence and machine learning."

Infinite Computer Solutions was recently named a Golden Stevie winner at the 14th annual American Business Awards in 2016.
