

Infinite Computer Solutions Wins Two Gold Awards in the 12th Annual 2017 IT World Awards

The Information Technology Industry's Coveted Hot Companies and Best Products Award Winners will be honored at the 2017 SVUS Red Carpet Awards Ceremony Dinner in San Francisco on Monday, June 26, 2017

ROCKVILLE, Md., June 14, 2017 – Infinite Computer Solutions announced today that Network Products Guide, industry's leading technology research and advisory guide, has named them a two-time Gold winner in the 12th Annual 2017 IT World Awards® in the 'Best IT Company' and 'Best IT Services – Products and Services' categories. These industry and peer recognitions from Network Products Guide are the world's premiere information technology awards honoring achievements and recognitions in every facet of the IT industry. Winners from all over the world will be honored in San Francisco on Monday, June 27, 2017 during the 2017 SVUS Red Carpet Awards Ceremony Dinner in San Francisco.

Infinite Computer Solutions was named a Gold winner in 'Best IT Company of the Year.' Infinite is a leader in the industry of vertical-specific solutions that could be rapidly customized per customer – a concept Infinite calls Platformization™. These Platformized™ solutions and frameworks have given Infinite an edge by delivering customized solutions to clients with speed, agility, cost-benefits and efficiency.

Infinite also picked up a Gold award in the 'Best IT Services' category for one of their latest digital health solutions, Zyter™. Zyter is a proprietary bot-powered healthcare messaging platform and is characterized by its customizability, which is directed by the needs and business priorities of Infinite's customers.

An annual achievements and recognition awards program with active participation from a broad spectrum of industry voices, the coveted annual IT World Awards recognition program encompasses the world's best in organizational performance, products and services, hot technologies, executives and management teams, successful deployments, product management and engineering, customer satisfaction, and public relations in every area of information technology.

"It's an honor to be named a winner by IT World Awards for this esteemed industry and peer recognition," said Amit Srivastav, President of Technology Solutions at Infinite Computer Solutions. "This further validates our position as a pioneering force in the IT sector, and inspires us to keep challenging ourselves to explore new horizons in the innovation space and to offer unique solutions in this fast-paced industry."

About NPG's IT World Awards

As industry's leading technology research and advisory publication, Network Products Guide plays a vital role in keeping decision makers and end-users informed of the choices they can make in all areas of information technology.
