

Infinite Computer Solutions honored as Gold Winner in the Annual 2017 Golden Bridge Awards Information Technology and Security Innovations

“Winners will be honored at the 2017 Red Carpet Golden Bridge Awards Ceremony in San Francisco on Monday, September 19, 2017.”

ROCKVILLE, Md., August 15, 2017 – Infinite Computer Solutions has earned the prestigious Gold status in the Golden Bridge Awards® for their latest digital health solution platform, Zyter™. The coveted annual Golden Bridge Awards program encompasses the world’s best in organizational performance, innovations, products and services, executives and management teams, women in business and the professions, innovations, best deployments, product management, public relations, marketing, corporate communications, international business, and customer satisfaction programs from every major industry in the world. Organizations from all over the world are eligible to submit nominations including public and private, for-profit and non-profit, largest to smallest and new start-ups.

Winners will be honored in San Francisco on Monday, September 18, 2017 during the annual Red Carpet Golden Bridge Awards Ceremony.

Zyter is a proprietary bot-powered healthcare messaging platform and is characterized by its customizability, which is directed by the needs and business priorities of Infinite’s customers. Setting itself apart from other collaboration platforms, Zyter employs the latest in artificial intelligence and bot technology to enhance its support and seamless integration into the fast-paced business management processes. The product’s sophisticated use of machine learning means that it can anticipate the users’ intent, in an effort to create better engagement and lasting customer relationships.

“We are honored to be awarded the Best Innovative Service of the Year for Zyter,” said Upinder Zutshi, CEO and Managing Director of Infinite. “Such a prestigious recognition demonstrates our hard-working, innovative, and customer-centric work ethic that has driven Infinite to become a key player in the healthcare IT industry today. We would like to thank the Golden Bridge Awards for this acknowledgment, and are even more determined to keep pushing Infinite to break new boundaries of excellence.”
